Re: Millington Asbestos Dump

Dear Wilkie:

Enclosed please find copies of NJDEP's inspection reports for "Millington (TIFA) Asbestos Dump" and the other three asbestos dumps. These are the reports of which George Klein spoke of in his telephone conversation with you on August 13, 1983. I have sent the one entitled "Millington Asbestos Dump Site on Division Street" (i.e.: TIFA's) to Arnold Livingston as per his request.

Should you have any questions, please let me know.

Very truly yours,

John F. Dickinson  
Office of Regulatory Services
